

## Ch. 8 “The Omnivore’s Dilemma” Group Work

Task: After reading Chapter 8 in class, you will have a discussion with your group and write down your ideas and answers in your notebooks.

### Directions:

1. In your notebooks, under unit one, write: *Chapter 8 “The Omnivore’s Dilemma” Group Discussion*
2. Discuss the questions below with your group. You can go in any order, but try to get through all of them. As you discuss, make sure you write down your ideas and answers in your notebooks.
3. Be prepared to share your discussion with the class.

### Questions for Discussion:

- How is our brain size related to the food we eat? (p. 88)
- What’s the difference between sweet and bitter foods? (p. 89)
- Why does this create a problem? (p.89)
- What are some examples of “food cultures”? (p. 92)
- What makes French food culture different than American food culture? (p. 94)
- Why is eating together, with friends and family, important for humans? (p. 96)
