

Odyssey Charter School

2009-2010

Congratulations OCS!

This year Odyssey increased its Academic Performance Index (API) score by 28 points! API Our API score is now 795!

State legislation, the Public Schools Accountability Act (PSAA) of 1999 (Chapter 3, Statutes of 1999), established the Academic Performance Index (API), which summarizes a school's or a local educational agency's (LEA) academic performance and progress on statewide assessments. The API also is used as an additional indicator for federal Adequate Yearly Progress (AYP) requirements. (An LEA is a school district or county office of education.)

This year Odyssey increased our API score by 28 points! Our API score is now 795! We also met all of our AYP criteria for the 2nd year in a row!

CONGRATULATIONS to ALL students, staff and families
